Help! The Vicar has lost his flock!

A "sheep" will appear each day of Advent for you to spot. The first sheep will be at the school and the last at the Church on 24th December. Maps and Sheep Counting Forms will be available from Spar, St James' **facebook** page and The Friends of Alveston School.

Find your last lost sheep at Church and bring your form to St James' on Christmas Eve for a socially distanced look at the trees and nativity.
